You can pay your NDEBP electricity bill online using the 'Bills & Recharges' service provided by the Bajaj Finserv BBPS platform. The Bharat Bill Payment System (BBPS) at Bajaj Finserv is a one-stop bill payment eco-system conceptualised by the Reserve Bank of India, operated by the National Payments Corporation of India. NDEBP electricity bill can be viewed online by a CA No. It is one of the easiest methods to check your bill. To view it on the Bajaj Finserv BBPS platform, follow these steps: Log into the BBPS portal of Bajaj Finserv after entering your name and mobile number Choose your power distributor and enter your 9-digit CA number Proceed to complete your NDEBP bill view process. It is thus easy and convenient Bajaj Finserv is one of the safest portals for electricity bill payment, with its advanced security mechanisms. It ensures safety of your money along with your personal credentials. To pay your electricity bill online, head over to the Bajaj Finserv website, click on the BBPS login page and follow these steps: Enter your full name and your mobile number and click on 'Generate OTP' to receive a 6-digit OTP on your phone. Enter the OTP on the next page and click on 'Submit' to login successfully. Once you've logged in, head over to the 'Utilities and Bills' section and select 'Electricity'. On the next page, choose your electricity operator, enter your CRN number and click on 'Proceed'. Your bill will be automatically fetched on the basis of the details you provide. Select your preferred mode of payment and click on 'Pay'. Enter your payment details and complete the payment, after which you will get a payment confirmation on the screen along with a receipt for the same. Bajaj Finserv's BBPS platform gives you the freedom of making your electricity bill payment through three different methods. You can ensure it is quickly paid at Bajaj Finserv using your debit card, credit card, or even through the net banking facility.
